

Member driven.
Community focused.

Our Commitment to Diversity

Federal Home Loan Bank of Dallas (FHLB Dallas) membership provides financial institutions with additional fiscal strength to better serve their communities. FHLB Dallas is one of 11 regional banking cooperatives that provide member institutions with wholesale lending, credit, and related financial services to support our affordable housing and economic development mission.

FHLB Dallas is committed to promoting diversity and inclusion at every level of the organization from employment to contracting. FHLB Dallas has adopted an Equal Opportunity in Employment and Contracting Policy Statement that reflects our commitment to these principles.

As part of FHLB Dallas' commitment to diversity, we have established the Office of Minority and Women Inclusion (the OMWI). FHLB Dallas is committed to the inclusion and utilization of minorities, women, individuals with disabilities, veterans, and disabled-owned businesses in our workforce and business activities.
